MEMORANDUM FOR: Commander, Air Force Intelligence Center

ATTENTION : AFCON-3D2

SUBJECT : Disclosure and Reproduction of Intelligence Originated in Another USIB Agency - USIB-D-39.4/1

REFERENCE : AFIC Memo (AFCON-3D2), dated 20 November 1959; same subject.

1. As requested, in our opinion the input of another USIB Agency's material of the type listed in paragraph c of USIB-D-39.4/1 (13 August 1959) into a member's storage system is not in violation of the USIB agreement. Paragraph a of this policy statement clearly states that each member may reproduce another's material for purpose of central processing.

2. Any system devised should, of course, not be in conflict with paragraph b which governs the output of the system.

3. We have checked with others on these points. Inasmuch as there are different interpretations, we plan to discuss the matter at our next meeting of the USIB Committee on Documentation. \*

S/ PAUL A. BOREL

\* See CODIB-M-20, 3 Feb 60, para. 5 which excludes such material except as negotiated on a bilateral basis. See also letter from AD/CR to Genl. Walsh (AFCON) of 1 Jun 60 giving approval for inclusion of CIA TS material in their APP systems
